PRESS RELEASE

Subject: Utah Business Aviation Association 2018 Scholarship Awards

The Utah Business Aviation Association is pleased to announce it has selected four deserving students to receive scholarships for the academic year 2018.

The purpose of this scholarship program is to help offset the high costs associated with obtaining an aviation degree, and to ensure that our industry has a plan to support the development of future aviation managers, dispatcher, mechanics, and pilots.

The scholarship money will go towards tuition for their aviation degree or flight training costs. The students that have been awarded scholarships are:

Soren Grimmer – Utah State University
Lane Gladden – Westminster College
Emma Fox – Westminster College
Jake Jorgensen – Salt Lake Community College

Thank you to all our generous sponsors who make this possible.
