PRESS RELEASE

Subject: Utah Business Aviation Association 2016 Scholarship Awards

The Utah Business Aviation Association is pleased to announce it has selected four deserving students to receive scholarships for the academic year 2016.

The purpose of this scholarship program is to help offset the high costs associated with obtaining an aviation degree, and to ensure that our industry has a plan to support the development of future aviation managers, dispatchers, mechanics, and pilots.

The scholarship money will go towards tuition for their aviation degree or flight training costs. The students that have been awarded scholarships are:

Zachary Henderson – Salt Lake Community College
Ashley Martinez – Utah State University
Jared Valdez – Utah Valley University
Robert Lindgren – Westminster College

Thank you to all our generous sponsors who make this possible.
