PRESS RELEASE

Subject: Utah Business Aviation Association 2017 Scholarship Awards

The Utah Business Aviation Association is pleased to announce it has selected three deserving students to receive scholarships for the academic year 2017.

The purpose of this scholarship program is to help offset the high costs associated with obtaining an aviation degree, and to ensure that our industry has a plan to support the development of future aviation managers, dispatcher, mechanics, and pilots.

The scholarship money will go towards tuition for their aviation degree or flight training costs. The students that have been awarded scholarships are:

Ryan Taul – Salt Lake Community College
Jared Percival – Utah Valley University
Brett Bentley – Westminster College

We will also be assisting one deserving student by paying for their upcoming commercial check ride examiner fees. That student is:

Emma Fox – Westminster College

Thank you to all our generous sponsors who make this possible.
